CLOUD NATIVE DAYS ITALY

Cloud Native Days Italy 2025

Starting next year, our event will evolve into the Cloud Native Community Day 2025, enabling us to embrace the diverse ecosystem more inclusively and broaden the range of topics and participants.

We will still be in touch with the CNCF, and we value the support they gave us during past editions - their contributions have been instrumental to our previous successes.

We're excited to start this new journey together and keep pushing the boundaries of cloud native innovation!

OVERVIEW OF THE EVENT
